

Flare

Spire

Encourage imagination and add a finishing touch to your playground with the Flare and Spire!

Designed to be intentionally abstract to encourage imaginative and dramatic play, the Flare and Spire, together or separate, can transform your playground into a tranquil treehouse, a towering castle, or a colorful wonderland. The Flare and Spire will add finishing elements to your playground that will encourage children's imaginations to run wild and elevate the look of your play structure.

FEATURES AND BENEFITS

- Promotes imaginative and dramatic play
- Durable low maintenance design
- Adds visual appeal
