

This topper is a dramatic, multi-color way to provide shade to your Parallax Climbing System!

Choose from 4 dual color fabrics to complement your structure. The Paragon blocks up to 97% of UV rays with the shade it provides. Made from a specially woven HDPE, the sails won't fray or unravel and are resistant to rot and mildew!

Max Height:

Compatibility: SuperMax and Parallax

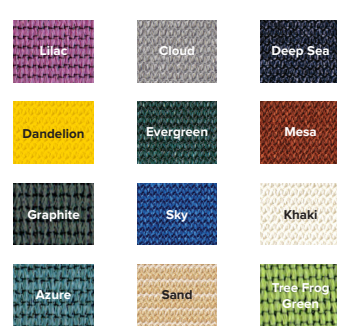

FEATURES AND BENEFITS

- Adds function, style, and comfort
