

Rock the day away with our inclusive group glider that allows greater accessibility for children of all abilities!

The Rock N Wave creates equitable access for both children and adults by allowing access to the large swaying platform for peer to peer accessible play. Its unique design allows for collaboration by tilting from side by side or by pushing from the outside to create a fun rocking motion.

This multi-user swaying component is available as a stand-alone component accessed by a ramp or attached to playground structure.

Capacity: 6
Deck Height: 1'
Ages: 2-5 and 5-12

WHOLE CHILD BENEFITS

PHYSICAL
Gross Motor, Fine Motor
