

## playAbilities

Ages: All

Space Required: 28'2" x 15'2"

The PlayAbilities Sensory Summit Arch Level 1 is a climber-only package that offers a unique climbing experience for children of all abilities. The climber features a wide basin with defined grips to allow children with limited use of their legs to participate in a climbing activity. The Sensory Summit Arch climber and sensory packages are purchased independently of each other. One sensory package can be purchased for each climber.
