

Whirl & Twirl

part no. 65156

The freestanding Whirl & Twirl spinner features a tilted design allowing children to spin independently or with the assistance from a friend encouraging social

interaction.

Ages: All ASTM Use Zone: 15'7" x 15'7"

FEATURES AND BENEFITS

- Tilted design increases spinning momentum
- Drain holes help prevent standing water
- Rounded lips allow children to hold on during use as well as aid in transition in and out of the spinner
